Creative Wedding Experience

Photographic Coverage

Your wedding will be captured by an experienced professional who knows the precise moments for essential shots and also the best times to be creative.

All packages receive a complimentary engagement shoot which not only gives you more great memories to keep, but allows you to get to know and be comfortable with your photographer before your wedding day.

Unlimited pre-wedding meetings are included with your wedding coverage because it is as important to us that we capture exactly what you desire, as it is to you.

Ideas to consider for your coverage

- § Formal bridal portraits at the studio
- § Bride & bridesmaids before the ceremony
- § Groom & groomsmen before the ceremony
- § Ceremony coverage
- § Family & group portraits after ceremony
- § Bridal party location shoots for creative photography
- § Full reception coverage
- § Partial reception coverage
- § Post-wedding bride & groom portraits in the studio
- § Trash the dress photographic session
